 - Minutes were reviewed from the last meeting. Motion to approve was made, seconded and approved.
- ❖ **Treasurer's Report**
 - Allan noted more money was received from the golf tournament. He reviewed the Profit and Loss Budget vs. Actuals for September 09 and the balance sheet as of September 30, 2009. The only expenses this month was for concession inventory and coaches registrations.
- ❖ **Topics Discussed**
 - **Spirit Competition:** Mandie came to the meeting to speak about her upcoming Senior Project Spirit competition on Sunday 10/25. She said that 20 teams had registered for the event and there would be hundreds of spectators/team members participating throughout the day. She asked if we could open the concession stand for them (which all readily agreed to). Deb then discussed the different food items we could sell and noted that the spirit team parents were to be able to man the concession stand during the day, but she would send out a request if she needed more help from the Booster club (which she did). All funds from the concession stand will benefit the booster club so it should bring in some nice dollars for us!
 - **Clothing Fundraiser:** Discussed plan to sell clothing at all football games and Homecoming. Linda B. asked if booster club members involved in other sports could please bring some sample shirts and hats to the games and try to sell more. We discussed selling them at the Spirit competition on Sunday, 10/25.
 - **Website:** Bob Louf came to speak to us about getting our own host and domain name. Jim was to get approval from the school to get our own domain name. We all felt it would facilitate keeping the site up to date and posting document links for the community if we could maintain it ourselves without having to go through the school. Jim would still have a link to our site on his Bow Athletics page. We discussed what our domain name should be and decided upon "BowBoosterClub". Bob is doing this for us pro-bono so we really appreciate his help!

- **Motivational speaker:** Linda E provided an update that Kirk Spoffard is interested in having the second assembly at the middle school. Therefore, the contract has been signed with Ed Gerety and 2 daytime assemblies will be held on February 9/2009.
- **Concession Stand:** Discussion centered on the spirit competition as noted above.
- **Booster Club to become a non-profit:** Allan has taken the lead on this. He is meeting with Ed Perry and Dave Howard to begin the process. THANKS to Allan, Ed, and Dave in advance for your efforts to make us become an official non-profit. This will greatly help us in attaining donations from corporate sponsors.
- **Strategic goals:** No discussion this meeting.
- **Other:** Jim noted that he will be having the Outback Dinner fundraiser for the Press box on Saturday, 10/24/09. Cost per ticket will be \$20 and the Outback is donating food for up to 150 people.
(Update: this was cancelled due to inclement weather and will be rescheduled.)
