- ❖ **Treasurer's Report**
 - Not reviewed since covered in depth last meeting. Will review during October Meeting.
- ❖ **Topics Discussed**
 - **Donation Update:** an additional \$200 received from parents. Thank you notes are being sent to our contributors by Linda B.
 - **Clothing Fundraiser:** "Fear the Falcon" t-shirts, Polo shirts and Bow Falcon hats are selling well at the football games. Linda noted that items must be ordered in quantities of 12 to get the best price. Will order more hats and Med and Large T-shirts. Linda also noted that she would like volunteers to sell them at the other games such as soccer, field hockey, etc.
 - **Website:** Blaine continues his work to develop our own website that will not be managed by the BHS site. Plan is to have it up and running by next meeting.
 - **Motivational speaker:** Linda E noted that it would cost \$3000 if Ed's second presentation were in the evening. The board decided to keep it at 2 daytime assemblies if the middle school were also interested. *** Update since last meeting is that John House-Meyers talked to Kirk Spofford and he is also interested in having Ed Gerety speak at the middle school, so Linda E contacted Ed and committed to 2 daytime assemblies for February 9/2009.
 - **Concession Stand:** Deb asked that anyone interested in being on the concession committee come 1 hour early to the game and others ½ hour. She said there was no need to clean the vents and that they needed propane. Board decided a new cash box with more sections for bills was unnecessary.
 - **Strategic goals:** We talked more about having some longer term strategic goals for the club. Linda brought up the supporter hall of fame and all agreed we should recognize and award our top contributors at each award night. Allan to see who those folks would be based on reviewing his books to see the largest financial contributors. Steve Gallerani volunteered to be point person to research having someone buy or build a trophy case. Blaine mentioned the project to have lights put at the basketball court; Linda E noted Luke was interested in doing that for his senior project. Blaine noted that the Bow Police and

Selectman would need to be contacted first to see if they would approve it before we got too far along. Steve Davis mentioned that Nike may be interested in being a sponsor for that project.

- **Other:** Jim noted that we could not add more bleachers to the premium field because of the pole vaults and hills. He noted a possibility could be to clear the woods more and put planks up behind the benches.

Adjournment at 7:00PM
